

“Freedom Isn’t Free!”
John 8:31-36

1. Everything costs someone something.

2. Freedom is so precious that some will give their lives to give it to others.

3. Our country enjoys many freedoms at the expense of individuals as well as families.

4. Freedom isn't cheap.

5. Jesus uses two words here for free:

a. One means to liberate.

b. One means unrestrained.

6. Bondage is the result of one of 2 things:

a. The trick of the devil I fall into.

b. My surrender to the flesh.

7. The Christian life is one of freedom.
